**make

happen!**

A black and white line drawing featuring the words "make it happen!" in a large, stylized, outlined font. The word "make" is on top, "it" is in the middle, and "happen!" is at the bottom. The letters have thick outlines and some internal lines. The entire composition is surrounded by various decorative elements: shooting stars with long, sweeping tails, small five-pointed stars of different sizes, and several clusters of concentric circles resembling fireworks or stylized clouds. The background is plain white, and the overall style is whimsical and celebratory.
